A large grid of cigarette packs from various brands, arranged in rows and columns. The grid is divided into sections by vertical lines. The brands visible include Benson & Hedges, Marlboro, Camel, and others. The bottom section is labeled "SMOKING ALTERNATIVES". The grid is organized into several rows, each containing multiple packs of cigarettes. The packs are arranged in a way that shows the front of each pack, with the brand name and logo clearly visible. The colors of the packs vary, with some being white, blue, red, and others. The text on the packs includes the brand name, the type of cigarette (e.g., "Kings", "10's"), and a warning about the dangers of smoking. The grid is a visual representation of the variety of cigarette products available.
